

### SM Series

Temperature Range : +5°C/+10°C  
 Refrigeration Unit : INTERNAL  
 Refrigerant : R-22

<b>Specifications</b>	<b>MDC-4B-DL</b>	<b>MDC-6B-DL</b>
Length [inch]	48	72
Width [inch]	36	36
Height [inch]	78	78
Area of display Shelves [sqft]	26	39
Capacity [liters]	750	1150
Unit weight estimated [kg]	300	400
Refrigerant	R 22	R 22
Evaporating temperature [°C]	-5	-5
Rated voltage [V]	220/50Hz	220/50Hz
Rated Amps [A]	7	9
Rated power of lighting [W]	72	108
Rated power [W]	1600	2000
Cooling power [W]	5200	7000
Electricity consumption [kWh]	1.6	2.0

### Standard Equipment

Cooling system (Ventilated)

Insulated side panels with insulated glass– Selectable colors (ALVO color chart)

Polyurethane foam insulation, Powder coated body, lockable casters for easy movement

Good refrigeration system followed by TECUMSEH/COPELAND compressor, digital temperature controller

Additional internal top illumination – LED lamp (color of choice: white, confectionery or meaty “deep pink”)

**Standard Warranty:** One year (Compressor only)

Only transportation will be charged on actual during warranty period. (Out of the Lahore)

**NOTE:** Given information is only for reference and are subject to change without prior notice.
