

### SM Series

Temperature Range : +5°C/+10°C  
 Refrigeration Unit : EXTERNAL  
 Refrigerant : R-22

<b>Specifications</b>	<b>MDC-6R-DL</b>	<b>MDC-8R-DL</b>
Length [inch]	72	96
Width [inch]	36	36
Height [inch]	78	78
Area of display Shelves [sqft]	48	64
Capacity [liters]	1450	1900
Refrigerant	R 22	R 22
Evaporating temperature [°C]	-5	-5
Rated voltage [V]	220/50Hz	220/50Hz
Rated Amps [A]	10	13
Rated power of lighting [W]	108	144
Rated power [W]	2200	2800
Cooling power [W]	7500	8800
Electricity consumption [kWh]	2.2	2.8
Unit weight estimated [kg]	350	400

### **Standard Equipment**

Cooling system (Ventilated)

Insulated side panels with insulated glass– Selectable colors (ALVO color chart)

Polyurethane foam insulation, Powder coated body, lockable casters for easy movement

Good refrigeration system followed by TECUMSEH/COPELAND compressor, digital temperature controller

Additional internal top illumination – LED lamp (color of choice: white, confectionery or meaty “deep pink”)

**Standard Warranty:** One year (Compressor only)

Only transportation will be charged on actual during warranty period. (Out of the Lahore)

**NOTE:** Given information is only for reference and are subject to change without prior notice.
